

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops alternative investment solutions for institutional investors worldwide. Founded in 2001 and owner-managed, the investment company considers itself a fiduciary for its clients and applies a holistic approach to managing customised real assets and financial assets. Aquila Group's client base consists predominantly of institutional investors in Europe and Asia.

Over 200 professionals located in ten offices globally implement efficient investment strategies via fund structures and individual mandates. The Aquila Group comprises Aquila Capital Investmentgesellschaft mbH, which is licensed by the Federal Financial Supervisory Authority (BaFin) to act as an alternative investment fund manager in Germany, and Alceda Fund Management S.A., which is licensed as an alternative investment fund manager and UCITS management company in Luxembourg by the Commission de Surveillance du Secteur Financier (CSSF).

Aquila Capital is seeking a

Investment Manager | Secondaries (f/m/d)

to join our office in Hamburg

Your task profile

- Market observation and maintenance of contacts to market participants (intermediaries and potential sellers)
- Analysis and selection of new secondary transactions for an existing fund of funds vehicle in the area of infrastructure within the scope of due diligence
- Coordination of structuring and transaction processes (single LP interests, portfolios, tail-end funds, restructurings)
- Creation, plausibility check and further development of new and existing valuation models in Excel
- Execution of liquidity and yield planning with regard to existing investments
- Evaluation of annual reports and quarterly reports
- Participation in the new product process for a fund specialising in secondary market transactions in the real estate and infrastructure sectors.

Our profile of requirements

- Successfully completed degree in economics, possibly supplemented by additional training (CAIA, CFA, or similar)
- At least 4 years professional experience in the field of secondaries with a broker, placement agent or in secondary fund management.
- Hands-on mentality, high problem-solving competence; structured and team-oriented work style
- Strong analytical thinking skills and a high affinity for numbers
- High degree of initiative, personal responsibility, accuracy, diligence and expressiveness
- Very good written and spoken German and English skills, additional foreign language advantageous
- Very good knowledge of MS Office products, in particular in-depth user knowledge of Excel

Your perspective

As a forward-looking company, the Aquila Group combines focus, foresight, ambition and entrepreneurial responsibility with team spirit and a very high degree of collegiality. This creates synergies that, combined with the talents of our employees, are crucial for the long-term success of our company.
