

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops innovative investment solutions for institutional investors worldwide. Since its founding in 2001, the owner-managed company has acted as a trustee for its clients and follows a holistic approach in the management of customized real and financial assets.

The Aquila Group's customers primarily consist of institutional investors in Europe and Asia. More than 200 employees at ten locations around the world work on executing efficient investment strategies in the form of fund structures and individual mandates. The Aquila Group includes both Aquila Capital Investmentgesellschaft mbH, licensed by the German Federal Financial Supervisory Authority (BaFin) as a capital management service company in Germany, and Alceda Fund Management S.A., authorised by the CSSF as an AIFM and UCITS management company.

Hydropower Investment Management of Aquila Capital, Hamburg Office (HQ) is seeking an

Investment Analyst | Hydropower (f/m/d)

Key responsibilities

- Creation, review and development of integrated financial models for acquisition of assets as well as the holding structures of the group.
- Creation of profitability analyses, profitability calculations, sensitivity analyses and stress tests for investments in the field of renewable energies.
- Participation in the analysis of the due diligence and acquisition documentation as well as in the support of the preparation of internal and external documents (decision templates, business cases, financial reports and prospectuses).
- Participation in the coordination of asset-specific reporting and annual financial statements topics.
- Application of the FAST Standard for modeling.

Key requirements

- BSc or MSc with strong performance in analytical and quantitative subjects in business, finance, economics or engineering.
- 1-3 years of professional experience in the field of financial modeling, acquired via various backgrounds - corporate finance, accounting, consultancy, or fund and investment management.
- Solid knowledge of best practices in financial modeling and continuing education in this area.
- Fluent in English and German. Strong command of any other foreign language (especially Norwegian and Portuguese) are an advantage.
- Precise and reliable working method coupled with high autonomy, implementation strength and flexibility.
- Very good knowledge of MS Office, especially Excel. PowerPoint and VBA skills are an advantage.

Your perspective

The Aquila Group is a future-oriented company that combines focus, far-sightedness, ambition and independent entrepreneurial responsibility with team spirit and an outstanding corporate climate to create synergies. Combined with our employees' talents, these synergies are the key to the long-term success of our company.

Do you feel that this job is right for you? Do you have the skills and qualifications we are looking for?

Then we look forward to receiving your complete application, including your salary expectations and earliest start date, via our online tool.
