

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops innovative investment solutions for institutional investors worldwide. Since its founding in 2001, the owner-managed company has acted as a trustee for its clients and follows a holistic approach in the management of customized real and financial assets.

The Aquila Group's customers primarily consist of institutional investors in Europe and Asia. More than 200 employees at ten locations around the world work on executing efficient investment strategies in the form of fund structures and individual mandates. The Aquila Group includes both Aquila Capital Investmentgesellschaft mbH, licensed by the German Federal Financial Supervisory Authority (BaFin) as a capital management service company in Germany, and Alceda Fund Management S.A., authorised by the CSSF as an AIFM and UCITS management company.

For our headquarter in **Hamburg** we are looking for an

Investment Manager | Energy & Infrastructure | EMEA (f/m/d)

Your responsibilities

- Focus on deal execution and transaction management
