

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops innovative investment solutions for institutional investors worldwide. Since its founding in 2001, this owner-managed investment company has acted as a trustee for its clients and follows a holistic approach in the management of customized real and financial assets.

Aquila Group's customers are largely institutional investors in Europe and Asia. Over 200 employees work at ten locations across the globe in order to implement efficient investment strategies via fund structures and individual mandates. The Aquila Group includes both Aquila Capital Investmentgesellschaft mbH, licensed by the German Federal Financial Supervisory Authority (BaFin) as a capital management service company in Germany, and Alceda Fund Management S.A., authorised by the CSSF as an AIFM and UCITS management company.

Aquila Capital is seeking a

Analyst Asset Management | Real Estate (f/m/d)

to join our office in Hamburg

Key Responsibilities

- Independent creation, testing and further development of integrated financial models in the modelling language FAST Standard at the asset and holding structure levels of the Group.
- Creation of profitability analyses, profitability calculations, sensitivity analyses and stress tests for real estate investments.
- Active involvement in the analysis of acquisition and due diligence documentation as well as support in the preparation of internal and external documents (decision documents, business cases, financial reports and prospectuses).
- Assistance in the coordination of asset-specific reporting and annual accounts topics.

Key Requirements

- Degree in Business Administration, ideally with a focus on Corporate Finance, Economics or Industrial Engineering and Management
- In-depth knowledge of best practices in financial modelling and continuous readiness for further training in this area, especially in the modelling language FAST Standard.
- First years of professional experience in financial modelling, e.g. with an auditing company, corporate finance consulting, fund or investment management.
- Strong analytical skills and a very good understanding of numbers.
- Precise and reliable working methods coupled with a high degree of independence, implementation strength and flexibility.
- Very good knowledge of MS Office, especially Excel. Knowledge of PowerPoint and VBA would be advantageous.
- Fluent in English and German. Other foreign languages (Spanish, Portuguese, Swedish, Norwegian) would be advantageous.

Your perspective

As a forward-looking company, the Aquila Group combines focus, foresight, ambition and entrepreneurial responsibility with team spirit and a very high degree of collegiality. This creates synergies that, combined with the talents of our employees, are crucial for the long-term success of our company.

The job advertisement appeals to you and you have the required qualifications?
