

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops innovative investment solutions for institutional investors worldwide. Since its founding in 2001, the owner-managed company has acted as a trustee for its clients and follows a holistic approach in the management of customized real and financial assets.

The Aquila Group's customers primarily consist of institutional investors in Europe and Asia. More than 200 employees at thirteen locations around the world work on executing efficient investment strategies in the form of fund structures and individual mandates. The Aquila Group includes both Aquila Capital Investmentgesellschaft mbH, licensed by the German Federal Financial Supervisory Authority (BaFin) as a capital management service company in Germany, and Alceda Fund Management S.A., authorised by the CSSF as an AIFM and UCITS management company.

For our headquarter in **Hamburg** we are looking for an

Internal Product Manager Energy & Infrastructure EMEA (f/m/d)

Your responsibilities

- Lead internal project management for 2 main investment products
- Develop the timetable and step plan needed for the products to successfully conclude investments in renewable energy assets
- Interface with internal partners such as legal, tax & structuring, risk & compliance, fund management and asset management to effectively communicate the products' requirements
- Implement Aquila Capital's electronic management platform to steer the various work streams
- Oversight of liquidity management, dividend planning, budget and controlling
- Prepare decision making documentation for internal and external committee review
- Moderate external communication with investors
- Ensure timely delivery of projects whilst focusing on quality
- Intermittent lead of renewable energy transactions

Your qualifications

- +5 years of relevant project management experience in the renewable energy market, preferably with a leading investment firm, industry strategic or bank (buy-side/ sell-side, project finance, investment banking and/or consulting)
- Proven fund and transaction expertise
- Excellent project management skills with strong ability to collaborate across multiple departments
- Entrepreneurial spirit and international, dynamic mind-set
- University degree in business, finance or investment related area
- Fluent in Business English, additional European language (Spanish, Portuguese, Scandinavian) is a plus

Your prospects

The Aquila Group offers the opportunity to join a dynamic alternative investment management company with a proven track record in specialized real asset investments. Combined with a collaborative corporate culture with an entrepreneurial mindset, a fast-paced work environment with a team-oriented and flat organisation as well as a global presence and commitment to cultural diversity, these synergies are the key to the long-term success of our company.

Do you feel that this job is right for you? If the answer is yes, we look forward to receiving your application alongside your salary expectations and earliest start date, via our online tool.
