

Aquila Capital develops innovative investment solutions for institutional investors worldwide. Since its founding in 2001, the owner-managed company has acted as a trustee for its clients and follows a holistic approach in the management of customized real and financial assets.

The **Aquila Group** has been investing in renewable energies for over 10 years, transacting a portfolio of wind, solar and hydro assets over 3.4 GW across 12 countries since.

In Iberia, Aquila Group currently manages a portfolio, between development and operational stage, of over 1 GB, consisting of solar, wind and hydropower assets. Aquila Group has ambitious plans to further expand the footprint in the Iberian region.

For our office in Madrid we are seeking a

Senior Legal Counsel E&I (f/m/d)

Key responsibilities

- Advice on all legal matters in the day-to-day management of wind and solar PV energy development in Spain and Portugal, with a focus in the fields of construction, permitting, planning, project finance, operation and maintenance and sale of energy
- Independently drafting and review of various contracts, participation in, respectively leading contract negotiations
- Prevention and managing of legal disputes, advice of the business team and senior management in all legal aspects, in particular in the field of construction, permitting, planning and operations of wind and solar energy projects
- Corporate housekeeping with regard to project companies (e.g. drafting of minutes, PoAs, acquisition of SPVs, change of directors)
- Steering of external legal counsels as well as acting as interface between external legal counsels and the business team

Key requirements

- Qualified lawyer in Spain with excellent academic credits
- At least 6 years post-qualified experience in the renewable energy sector
- in depth knowledge in particular in the field of construction, permitting, planning and operation of renewable energy projects mandatory
- knowledge in the fields of corporate law as well as intellectual property law of advantage
- Excellent English skills mandatory, knowledge of Portuguese would be of advantage
- Highly motivated, self-driven personality with strong negotiation and communication skills
- Profound understanding of the commercial aspects of the renewable energy sector as well as complex equity and debt structures
- Well organized, structured, independent and solution orientated way of working; capability to handle high workload in an efficient way

Your perspective

As a forward-looking company, the Aquila Group combines focus, foresight, ambition and entrepreneurial responsibility with team spirit and a very high degree of collegiality. This creates synergies that, combined with the talents of our employees, are crucial for the long-term success of our company.
