

THE ALTERNATIVE INVESTMENT COMPANY

Aquila Capital develops innovative investment solutions for institutional investors worldwide. Since its founding in 2001, the owner-managed company has acted as a trustee for its clients and follows a holistic approach in the management of customized real and financial assets.

The Aquila Group's customers primarily consist of institutional investors in Europe and Asia. More than 350 employees at fourteen locations around the world work on executing efficient investment strategies in the form of fund structures and individual mandates. The Aquila Group includes both Aquila Capital Investmentgesellschaft mbH, licensed by the German Federal Financial Supervisory Authority (BaFin) as a capital management service company in Germany, and Alceda Fund Management S.A., authorised by the CSSF as an AIFM and UCITS management company.

For our office in **Madrid** we are looking for a

Construction Manager Energy & Infrastructure (f/m/d) - Spain

Your responsibilities

- Lead installation and construction activities to assure that the completed plant meets the requirements of the specifications and time schedule
- Technical due diligence and field supervision monitoring the works
- Approve and distribute all site-generated documents, reports and correspondence to the client and the home office
- Conduct performance meetings and negotiation with subcontractors to review a detailed EHS, schedule, and formulate action plans
- Check progress and quality of works and materials supplied
- Communicate and report to upper management, details of construction work and developments
- Provide Construction expertise and ability to solve unexpected technical difficulties
- Participate in and contribute, if not lead construction contracts negotiation

Your qualifications

- Higher Degree in Civil / Industrial / Energy Engineering or similar
- PMI is a preferable complementary training
- At least 8-15 years of experience in Renewable Energy projects ideally both wind and PV plants, with a track record as Project Manager in Energy projects
- High level of English
- Geographic and travel availability within Iberia and sporadically to Hamburg

Your prospects

The Aquila Group is a future-oriented company that combines focus, far-sightedness, ambition and independent entrepreneurial responsibility with team spirit and an outstanding corporate climate to create synergies. Combined with our employees' talents, these synergies are the key to the long-term success of our company.

- Company events for cross functional team exchange: Welcome Day (Early Bird), regular afterworks, summer and Christmas parties as well as team offsites
- Internal training opportunities (e.g. Brownbag sessions and language courses)
- Location in the city centre in a modern office building
- Employee benefits: Free drinks and fresh fruits

We look forward to receiving your complete application, including your salary expectations and earliest start date, via our application system on www.aquila-capital.de/career
